

**DECLARATION OF PERFORMANCE 305/2011  
ON THE APPLICATION OF THE REGULATION (UE) 574/2014  
(OFFICIAL JOURNAL EUROPEAN COMMUNITY L 52/1 – 28/05/2014)  
FIBER WOOD MEDIUM DENSITY PANEL – SMOOTH CIMENTO®**

**1. Identification code of the product-like:**

- |   |   |
|---|---|
| CLM 001 Fiber wood medium density panel (size 600x600)  | CLM 005 Fiber wood medium density panel (size 900x1800) |
| CLM 002 Fiber wood medium density panel (size 900x900)  | CLF 001 Fiber concrete (size 600x600)                   |
| CLM 003 Fiber wood medium density panel (size 600x1200) | CLF 003 Fiber concrete (size 600x800)                   |
| CLM 004 Fiber wood medium density panel (size 900x1200) | CLF 004 Fiber concrete (size 600x1200)                  |
| CLM 005 Fiber wood medium density panel (size 900x1800) | CLF 005 Fiber concrete (size 800x1200)                  |
| CLF 001 Fiber concrete (size 600x600)                   | CLB 001 Plywood birch (size 730x730)                    |
| CLM 001 Fiber wood medium density panel (size 600x600)  | CLB 002 Plywood birch (size 480x980)                    |
| CLM 002 Fiber wood medium density panel (size 900x900)  | CLB 003 Plywood birch (size 730x980)                    |
| CLM 003 Fiber wood medium density panel (size 600x1200) | CLB 004 Plywood birch (size 980x1480)                   |
| CLM 004 Fiber wood medium density panel (size 900x1200) | CLL 001 Galvanized iron sheet (size 600x600)            |
- Referring to the products as per document of transport of the same.

**2. Expected uses:** claddings. It is normally used as wall cladding and/or vertical elements for internal areas or similar. It is not suitable for external areas, which are affected by weather.

**3. Producer:** SAI Industry - CIMENTO®. – Via A. Volta,1 – 30020 NOVENTA DI PIAVE (Ve) - Italy

**4. Authorized representative:** there are no authorized representatives.

**5. Analysis and check system referring to the constancy of the performance (VVCP):** System of attestation no 4.

**6a. Harmonised standard regulations:** UNI EN 14992:2012.

**6b. Notified bodies:** Not applicable – see no. 4 above.

**7. Declared performances:**

Essential characteristics (ref note 1)	Performance (ref note 2)	Correspondent technical specification (ref note 3)
Resistance to compression of concrete	NPD	UNI EN 14992:2012
Ultimate strength of steel	NPD	UNI EN 14992: 2012
Yield tension of steel	NPD The structural purpose is performed from the front base	UNI EN 14992: 2012
Fire resistance	The same as concrete in respect of the material used to coat?	UNI EN 14992: 2012
Size	As catalogue	UNI EN 14992: 2012

**Notes referring to the table:**

- The column 1 contains the essential characteristics list defined from the Harmonised standard technical specifications regarding the use/uses as per point no.2;
- For each characteristic indicated in the column 1 and accordingly to the requirements of the art. 6, the column 2 contains the declared performance, expressed in terms of level, classes or through a description, regarding the correspondent essential characteristics. The letters, NPD (NPD=no performance determinate) if no performance is declared;
- For each essential characteristic indicated in the column 1, the column 3 contains: a) the dated reference to the Harmonised standard regulation and, if pertinent, the number of the specific technical documentation or the used appropriate technical documentation; or b) the dated reference to the correspondent European evaluation if available and the reference number to the used European technical evaluation.

**8. Appropriate technical documentation and/or specific technical documentation present in the company technical file of the product.** The performance of the product above mentioned is in compliance with the declared performance set. This declaration of responsibility is delivered in accordance with the regulation (UE) n. 305/2011, under the sole responsibility of the producer above identified.

The technical file is available in the headquarters for people legally interested and involved.

The present declaration refers to the subject to which it refers. In the case of modification or alteration the subject will take care to deliver the total declaration of the product. The present declaration of performance is available on the web-site in accordance with the art. 1 of the Delegated Regulation (UE) n.157/2014 (GUCE L 52/1 – 21.02.2014).
